

BRIANA HILL

25398 Fairfax, Southfield 48075 · (313)520-2247

@hillbr12@msu.edu · [LinkedIn Profile](#)

Third year Mechanical Engineering student with coding experience looking for work experience in The STEM fields seeking to grow and improve my leadership skills and experiences through interaction with my fellow peers in a new challenging manner. I'm a dynamic team player with the capacity to build and develop professional relationships through my exceptional interpersonal and communication skills.

EXPERIENCE

JUNE 2021 – AUGUST 2021

CASHIER/SMOOTHIE MAKER, TROPICAL SMOOTHIE, MADISION HEIGHTS, MI

- Employment taught the value of versatility through the necessity of focus in high stress environments.
- Teaches proper customer service skills as well as the ability to collaborate when under time constraints when dealing with large groups of clientele.
- Requires cooperation between all employees regardless of position.

EDUCATION

JANUARY 2024

MECHANICAL ENGINEERING, MICHIGAN STATE UNIVERSITY

GPA: 3.0

MAY 2019

DIPLOMA, FARMINGTON HIGHSCHOOL

GPA 3.12

SKILLS

- [List your strengths relevant for the role you're applying for](#)
- Organization, Communication
- Experience with MATLAB, Python, C++, Microsoft Word, Google Drive
- Visual Studio, NX CAD Software
- [List one of your strengths](#)

PROJECTS

LEGO Mindstorms EV3 (Jan-Mar 2020)

- MSU EGR 100 team project; provided MATLAB experience, precise instruction following, and creative design process.

Leadership Experience

Communication Camp (Jan 2018)

- Recommendation-only event provided by Farmington High School
- Students involved worked with school faculty and student leaders over the course of three days.
- Camp goal was to sharpen leadership and public speaking skills

Jack and Jill (May 2017)

- dedicated to nurturing future African-American leaders by strengthening children through leadership development, volunteer service, philanthropic giving, and civic duty
